

WHOLESALE PLUMBING & HEATING SUPPLIES

940 INDUSTRIAL PARKWAY • ELKHART, INDIANA 46516 • (574) 294-5551

I am pleased to announce that Michael Cox has been promoted to Branch Manager for Mid-City Supply's Plymouth Branch, effective immediately. With a start to finish background in the construction side for 15 plus years Mike made the leap to Mid-City over 2 years ago. Previously Mike managed a home building company and owned a home renovation business. Mike is passionate about the needs and goals of his clients and specializes in building lasting relationships with everyone he meets. He has made a commitment to enjoy life and to assist others in doing the same. In his spare time Mike enjoys camping, the sound of a good playlist, and any outdoor adventure. He has been married to Jessica for 20 years and has two daughters, all of which he considers to be his greatest life accomplishment.

We are pleased to have such a knowledgeable and experienced person as Mike as part of our management team. Mike can be reached at mcox@mid-city.com or 574-936-4400.

Congratulations to Mike, and thanks to him for their desire to serve.

Sincerely,

Mid-City Supply Co., Inc.

Jeff New
President
